

## Kathy Dalwood - "Aviatrix" Plaster Bust

\$1400

Ref. INV/0432

Kathy Dalwood 9" Bust

Material : Plaster

A 21st century re-interpretation of the historical portrait bust.

The collection is a contemporary response to the traditionally sculpted figurative statues and busts of the 18th and 19th centuries, but rather than sculpting in clay or stone, the busts are made by direct casting from real things.
