Mae Alice Engron "Flight" Abstract

\$295.00

Mae Alice Engron was born, raised and died in Indianapolis, Indiana. She attended Herron School of Art, receiving a Bachelor of Fine Arts degree in 1984, at the age of 42. She was an abstract painter who primarily painted with oil on canvas, although early in her practice, she also painted on foil to reflect light.

Inspired by organic forms and patterns drawn from nature, her works center on floral abstractions, nudes, and traditional geometric abstraction and her own unique understanding of color.
